INDEPENDENT AUDITORS' REPORT

To the Board of Directors of
Children's Wish Foundation International, Inc.

Report on the Financial Statements

We have audited the accompanying financial statements of Children's Wish Foundation International, Inc. (the Foundation) which comprise the statement of financial position as of June 30, 2015, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Foundation's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Children's Wish Foundation International, Inc. as of June 30, 2015, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2015

1. Organization

Children's Wish Foundation International, Inc. (the Foundation) is a not-for-profit corporation organized in November 1985 in the State of Georgia. The Foundation was formed to bring joy and hope to seriously ill children and their families by involving the public in putting children first with opportunities to experience the enhanced value and quality of life through the magic of a fulfilled wish.

Contributions are received primarily as a result of direct mail and telemarketing solicitations to individuals throughout the country. Telemarketing contributions are recognized when pledged. All other contributions are recognized as support when received.

2. Summary of Significant Accounting Policies

Uses Of Estimates - Management uses estimates and assumptions in preparing financial statements in conformity with accounting principles generally accepted in the United States of America. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. Actual results could differ from those estimates.

Financial Statement Presentation - The Foundation presents its financial statements in accordance with Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 958. Under FASB ASC 958, the Foundation is required to report information regarding its financial position and activities according to three classes of net assets as follows:

Unrestricted Net Assets - Net assets not subject to donor-imposed stipulations.

Temporarily Restricted Net Assets - Net assets subject to donor-imposed stipulations that may or will be met either by actions of the Foundation and/or the passage of time.

Permanently Restricted Net Assets - Net assets subject to donor-imposed stipulations that they be maintained permanently by the Foundation.

The Foundation records contributions in accordance with FASB ASC 958. Under FASB ASC 958, contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support depending on the existence and/or nature of any donor restrictions. The Foundation reports gifts of cash and other assets as

temporarily or permanently restricted revenue if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. If a donor restriction expires in the year the contribution was made, the contribution is reported as unrestricted.

Donated Services, Materials, and Facilities - Donated services are recognized as contributions in accordance with FASB ASC 958, if the services (a) create or enhance nonfinancial assets or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased by the Foundation. For the year ended June 30, 2015, there were no donated services.

Donations of materials are recorded as contributions at their estimated fair value at the date of donation. Such donations are reported as increases in unrestricted net assets unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use are reported as restricted contributions. Absent donor stipulations regarding how long those donated assets must be maintained, the Foundation reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. The Foundation reclassifies temporarily restricted net assets to unrestricted net assets at that time. Total gifts in kind received were \$1,616,510 for the year ended June 30, 2015.

Functional Expenses - The costs of providing various program and supporting services have been summarized on a functional basis on the schedule of functional expenses. Certain costs have been allocated among program and supporting services as follows:

Children's Wishes - All expenses incurred to fulfill wishes of seriously ill children and their families.

Family Services - All expenses incurred to assist families and programs in order to promote a more positive environment for seriously ill children while they are receiving treatment. Also, all expenses incurred to inform the general public to participate in the Foundation's mission of putting children first.

Education/Public Awareness - All expenses incurred to educate the general public about the needs and wishes of seriously ill children.

CHILDREN'S WISH FOUNDATION INTERNATIONAL, INC.

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2015

2. Summary of Significant Accounting Policies (continued)

Management and General - All other operating expenses incurred by the Foundation in the accomplishment of its tax exempt purposes.

Fundraising - All expenses incurred with the purpose of raising funds.

Income Taxes - The Foundation has received a tax determination letter from the Internal Revenue Service and is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code. The Foundation is not classified as a private foundation by the Internal Revenue Service.

Accounting For Uncertain Tax Positions - The Foundation accounts for uncertain tax positions in accordance with FASB ASC 740. FASB ASC 740 clarifies the accounting for uncertainty in income taxes recognized in an enterprise's financial statements. FASB ASC 740 prescribes a comprehensive model for recognizing, measuring, presenting, and disclosing in financial statements tax positions taken or expected to be taken on a tax return, including the position that the Foundation is exempt from income taxes. The Foundation's federal Return of Organization Exempt from Income Tax (Form 990) is open to examination by the IRS generally for three years after they were filed.

Valuation of Long-Lived Assets - The Foundation accounts for the valuation of long-lived assets under FASB ASC 360. FASB ASC 360 requires that long-lived assets and certain identifiable intangible assets be reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. Recoverability of long-lived assets is measured by a comparison of the carrying amount of the asset to future undiscounted net cash flows expected to be generated by the asset. If such assets are considered to be impaired, the impairment to be recognized is measured by the amount by which the carrying amount of the assets exceeds the estimated fair value of the assets. Assets to be disposed of are reported at the lower of carrying amount or fair value, less costs to sell.

Advertising - Advertising costs are expensed as incurred. For the year ended June 30, 2015, there were no advertising costs.

Cash And Cash Equivalents - For purposes of the statement of cash flows, cash consists of demand deposits and money market funds.

CHILDREN'S WISH FOUNDATION INTERNATIONAL, INC.

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2015

2. Summary of Significant Accounting Policies (continued)

Promises To Give - Unconditional promises to give that are expected to be collected within one year are recorded at net realizable value. Unconditional promises to give that are expected to be collected in future years are recorded at the present value of their estimated future cash flows. Management periodically reviews the collectibility of unconditional promises. Management determines the allowance for doubtful promises to give by using the historical experience applied to an aging of unconditional promises. Unconditional promises are written off when considered uncollectible. At June 30, 2015, there was an allowance for doubtful pledges of \$421,220. Conditional promises to give are not included in support until the conditions are substantially met.

Accounts Receivable - Accounts receivable are stated at unpaid balances, less any allowance for doubtful accounts, and are unsecured. The Foundation does not require collateral and no interest is charged on outstanding receivables. The provision for doubtful accounts is based on management's estimate on the status of existing receivables. Receivables are considered past due and written off after management has exhausted all collection efforts. At June 30, 2015, there were no receivables outstanding over ninety days. At June 30, 2015, management expects all outstanding receivables to be collectible.

Inventory - Inventory consists of in-kind contributions donated to the Foundation and purchased items that have not yet been distributed. Donated inventory is stated at the lower of estimated fair value at the time of receipt or market value. Purchased inventory is stated at the lower of cost or market.

Investments - The Foundation reports investment income and gains and losses on investments as increases or decreases in unrestricted net assets unless a donor or law temporarily or permanently restrict their use.

Property and Equipment - Property and equipment are stated at cost, if purchased, and fair market value, if donated, and are depreciated on a straight-line basis over their estimated useful lives of three to twenty-five years. The Foundation capitalizes property and equipment with a cost greater than \$1,000 and an estimated useful life greater than one year. Expenditures for maintenance and repairs are expensed as incurred. Betterments which increase the value or materially extend the life of the related assets are capitalized.

7. Split-interest Agreement

On August 5, 1997, the Foundation was named a beneficiary of 25% of the remainder interest in a charitable remainder trust. At June 30, 2015, the Foundation's portion of the original donation is \$349,191. The present value of the Foundation's interest was calculated in accordance with §7520 of the Internal Revenue Code. At June 30, 2015, the present value of the Foundation's interest amounted to \$52,609 and the related unamortized discount was \$296,582. The Foundation's remainder interest is recorded in the accompanying financial statements as a promise to give. For the year ended June 30, 2015, there was an increase in value of the trust of \$9,553.

8. Mortgage Note Payable

On September 16, 2011, the Foundation entered into a \$1,225,045 mortgage note payable with PNC Bank. The note bears interest at 4.50% per annum and calls for 59 monthly payments of interest and principal of \$8,882 and a balloon payment of \$946,997 at maturity. The note matures on September 19, 2016. For the year ended June 30, 2015, interest incurred on this loan was \$47,315. Future principal payments are as follows:

19. Fair Value Measurements

The Foundation follows FASB ASC 820 to disclose fair value measurements of assets and liabilities that are being reported on a fair value basis. FASB ASC 820 requires that assets and liabilities carried at fair value be classified and disclosed in one of the following three categories:

- Level 1: Quoted market prices in active markets for identical assets or liabilities.
- Level 2: Observable market based inputs or unobservable inputs that are corroborated by market data.
- Level 3: Unobservable inputs that are not corroborated by market data.

19. Fair Value Measurements (continued)

In determining the appropriate levels, the Foundation performs a detail analysis of the assets and liabilities that are subject to FASB ASC 820. At each reporting period, all assets and liabilities for which the fair value measurement is based on significant unobservable inputs are classified as Level 3. There were no Level 2 inputs for any assets held by the Foundation at June 30, 2015.

The table below presents the balances of assets measured at fair value on a recurring basis by level within the hierarchy. There are no liabilities that are being measured and reported on a fair value basis.

	Fair Value Measurements Using Significant Unobservable Inputs (Level 3)	
	Promise to Give Charitable Remainder Trust	Total
The amount of gains or losses for the year ended June 30, 2015 included in temporarily restricted net assets attributable to the change in unrealized gains or losses relating to assets held at the reporting date	<u>\$ 9,553</u>	<u>\$ 9,553</u>

The Foundation holds investments which are publicly traded on the stock exchange and are considered a Level 1 item. Fair value for the promise to give from a beneficial interest in a charitable remainder trust (Level 3) is determined by calculating the present value of the future distributions expected to be received, using published life expectancy tables and a 7.60% discount rate. For the year ended June 30, 2015, the application of the valuation techniques applied to similar assets has been consistent.

20. Financial Risks and Concentrations

The Foundation maintains cash balances that may exceed federally insured limits. The Foundation does not believe that this practice results in any significant credit risk. Money market and securities investments are held at a brokerage firm that is a member of Securities Investor Protection Corporation (SIPC). Under SIPC, a maximum of \$500,000, including a maximum of \$250,000 for cash, per customer, may be recovered in the event of the failure of a member brokerage firm. At June 30, 2015, the amount exceeding the SIPC limit was \$742,008. The Foundation has not experienced any such losses.

The Foundation invests in professionally managed portfolios that contain corporate stock, mutual funds, and other securities. Such investments are exposed to various risks such as interest rate, market and credit. Due to the level of risk associated with such investments and the level of uncertainty related to changes in the value of such investments, it is at least reasonably possible that changes in the near term could materially affect investment balances and the amounts reported in the financial statement.

As of June 30, 2015, 89% of the Foundation's accounts receivable were due from one organization.

21. Settlement Agreement

On February 20, 2014, the former Chief Financial Officer filed a civil action against the Foundation and the Executive Director of the Foundation. The civil action asserts claims breach of contract against the Foundation, breach of contract against the Executive Director, and a claim seeking to hold the Executive Director liable for the Foundation's breach of contract.

On April 14, 2015, the Former Chief Financial Officer, the Executive Director, and the Foundation settled this matter with no admission or finding of any wrong doing, fault, violation of law, or liability.

22. Subsequent Events

Management has evaluated subsequent events through November 21, 2015, when the financial statements were available to be issued.
